

Daniel B. METELEWA - CEO of DMSE GLOBAL WORLD NIG (LTD) and STC's Representative for West Africa.

Danny is a MBA Master of Business Administration holder from the Greenwich School of Management London, United Kingdom.

He has over 15 years' experience in business, management, finance, fund sourcing and generating of profit.

Mr. Metelewa started business as a consultant working with businessmen in Europe and Africa. With his knowledge of knowing how to partner and work with people across the aisle I was able to broker many successful deals between businesses in Europe and Africa. He and his associates are interested in Ports and Transportation.

He also helped to broker deals between Nigerian government, Angolan Government and companies selling and manufacturing products in Europe and Asia while he was a consultant with Casley finance London, United Kingdom. He was STC representative to the TOC Europe event, 2014 at the ExCel London, United Kingdom. His company DMSE GLOBAL WORLD NIG LTD is currently work on a project worth \$500m to produce Microchip and prepaid Debit cards in Nigeria and also working to build an ultra-modern Refinery near Lagos in Nigeria.
