

## CAC #97-11

**A RESOLUTION OF THE PINELLAS COUNTY  
METROPOLITAN PLANNING ORGANIZATION'S  
CITIZENS ADVISORY COMMITTEE  
CALLING FOR CONSIDERATION OF THE SKY TRAIN PROPOSAL  
IN THE PINELLAS MOBILITY MIS PROGRAM**

WHEREAS, the MPO's Citizens Advisory Committee (CAC) is aware of the Pinellas Mobility MIS (Major Investment Study), which is evaluating corridors and technology for a Guideway system for Pinellas County; and

WHEREAS, the Committee received a presentation concerning a Sky Train technology alternative, which is elevated and uses a considerable amount of existing and available equipment and designs; and

WHEREAS, the Committee believes that this technology should be considered, along with the other technologies as part of the Major Investment Study program.

NOW, THEREFORE, BE IT RESOLVED that the Pinellas County Metropolitan Planning Organization Citizens Advisory Committee, in regular meeting this 22nd day of May, 1997, recommends the Pinellas County MPO consider the Sky Train proposal in the currently-underway Major Investment Study.

**MPO Action:**

At its meeting of June 11, 1997, the MPO acted to approve this Resolution for forwarding to the MIS Steering Committee and consultant for consideration within the MIS program.
